**(hereinafter referred to as the 'Recipient')**

Recipient will be provided with Confidential Information by Researcher for a research project. This information is subject to the following:

1. Researcher agrees to disclose the information to the Recipient upon the following conditions which are understood to be agreed upon and acceptable to both parties:
  - (a) The disclosure of the information will be received and held in strict confidence by the Recipient.
  - (b) The Recipient will take every precaution as may be reasonably necessary to prevent the disclosure of the information to any third party.
  - (c) The Recipient will not commercially utilize any of the information provided.
  - (d) The Recipient will ensure immediate and proper destruction of dataset(s) and any material received from the Researcher upon completion or termination of Agreement at any time and as instructed by the Researcher.

2. The commitments set forth in (a), (b), (c), and (d) above shall not extend to any portion of the Information:
  - (a) which is information generally available to the public; or
  - (b) which hereinafter through no act of the Recipient becomes information generally available to the public; or
  - (c) which corresponds in substance to information furnished to the Recipient by any third party having a bona fide right to do so; or
  - (d) which corresponds to the information furnished by any third party on a non-confidential basis.
3. The Recipient will not reproduce the confidential information in any form except as required to accomplish the intent of this Agreement.
4. Any reproduction by Recipient of any confidential information will remain the property of Researcher and will contain any and all confidential or proprietary notices or legends that appear on the original, unless otherwise authorized in writing by Researcher.
